COMMUNITY RUGBY LEAGUE MEMO

RE: COVID-19 (Coronavirus)
TO: All Regions, Clubs and Leagues
FOR: IMMEDIATE DISTRIBUTION

This MEMO includes an update on information previously distributed and specifically relating to the QRL operational response to the COVID-19 pandemic.

The QRL has been working with other Field Team Sports who have provided a submission to the Queensland Chief Health Officer relating to the easing of Stage 2 restrictions which was approved today. These include the changes below which have been updated in the [QRL Return to Play Handbook V4](#).

- 60 participants per field to a maximum number 100 people per venue, and
- Each Club is to appoint a Covid Safe Co-ordinator who has completed [infection control training](#) prior to any activity commencing at each club venue.

I will also like to thank all of our volunteers currently working through the details of these restrictions and advise that the QRL website was been updated with resources to assist Clubs to [Return to Play](#).

If you have any questions please don't hesitate to contact your local QRL employee for further assistance.

We will advise of any further updates as soon as these come to hand.

Yours sincerely,

Glenn Ottaway
