COMMUNITY RUGBY LEAGUE MEMO

RE: Non-Sanctioned 'Runit' events

TO: All, QRL Affiliated Clubs and Leagues

FOR: URGENT DISTRIBUTION

Concerns have been raised with Queensland Rugby League (QRL) regarding Community Rugby League Clubs supporting the promotion of "Run it straight" or "Runit Championship League" events.

Please take notice that such promotions/fixtures are not sanctioned by the QRL and are not permitted to take place at Community Rugby League events.

Clubs are also reminded that insurance benefits as a QRL affiliate are not extended for non-sanctioned events.

The QRL is constantly striving to better the health and safety of our participants and works closely with our affiliate leagues and clubs to employ safeguards.

The QRL is not associated with nor encourages participation in any events like 'Runit' or similar. It's concerning to see people putting themselves at risk of serious injury in these events or impromptu versions after matches and we strongly encourage our Rugby League community not to participate in nor encourage participation in these events.

Any participation in such events may result in breaches of a League or Clubs Affiliation terms and conditions and result in sanctions up to and including termination.

Yours sincerely,

Mr Adam Vanzanten
General Manager
