7.1 PLAYERS AND OFFICIALS INSURANCE

All Clubs are required to take out insurance on behalf of their relevant Sub-ordinates to the minimum levels determined by the QRL Board, with an insurer nominated by the QRL Board. Those minimum levels may not provide adequate insurance for particular participants of the Game, depending upon their particular circumstances. Clubs and other Sub-ordinates should make enquiry as to the availability of suitable insurance for the particular Sub-ordinate with the **QRL's nominated insurer. In other words, the above** requirement does not preclude a Club from taking out increased or additional insurance cover for its Sub-ordinates **with the QRL's** nominated insurer. Any Sub-ordinate wishing to take out further insurance on **it's** own behalf is also entitled to do so.
